EXPERIENCE

Senior Visual and Motion Designer

Trinity Broadcasting Network (Bend, OR. Remote)

April 2022 - Present

- Create high-quality 2D/3D motion graphics for social media, film, and television, reaching over 100 million households worldwide.
- Mentor junior designers, empowering them to deliver impactful graphics.
- Innovate workflows, streamlining and automating content processes for swift project turnaround.

Visual and Motion Designer

Ministry Brands (Bend, OR. Remote)

November 2015 - April 2022

- Developed compelling visual content including motion graphics, 2D/3D animations, and video edits for a global audience of over 100,000 organizations.
- Directed freelance artists and contractors to ensure timely delivery of top-notch assets.
- Orchestrated projects efficiently using Asana, meeting deadlines and providing comprehensive progress reports and insights.

Visual and Motion Designer

Ancora Publishing (Eugene, OR. Remote)

July 2012 - November 2015

- Crafted engaging motion graphics for educational videos used by schools across the United States and Canada.
- Led design initiatives and provided mentorship within the marketing department.

EDUCATION

Associates of Applied Science in Multimedia Design and Production

Lane Community College, Eugene, Oregon
